

Coming Soon – Team Georgia Marketplace will replace Vendor Registration System

In January 2009 the State of Georgia will implement Team Georgia Marketplace, a new electronic procurement system. In addition to enhancing and streamlining the procurement process, Team Georgia Marketplace will replace the Vendor Registration System. Our vendors are an integral part of Georgia's business! Vendor registration in Team Georgia Marketplace will begin late October, and vendors will need to register in order to receive solicitation notifications after January 20, 2009.

In Team Georgia Marketplace, vendors will receive the following benefits:

When	Benefit
After Registration	<ul style="list-style-type: none"> • receive notifications of public solicitations for their NIGP Codes • maintain their contact information
During Solicitations	<ul style="list-style-type: none"> • respond to solicitations online • review their event history • view award history
While doing Business	<ul style="list-style-type: none"> • look up their purchasing activity and history in Team Georgia Marketplace

If your email address and contact information in the DOAS Vendor Registration System is current, you'll receive an invitation to register in the new system. Watch for more updates on the DOAS State Purchasing Website at www.statepurchasing.doas.georgia.gov.
